Welcome

At See + Sporthotel, our guests and employees are equally important to us. Our aim is to create a place where everyone feels welcome, seen, and valued—personal, warm, and on equal footing.

With the new Restaurant 800°, we are consistently pursuing this goal: quality, craftsmanship, and atmosphere come together here to create a modern gastronomic concept that focuses on enjoyment, openness, and interaction.

For us, luxury is not primarily about facilities, but above all about time, attention, and genuine service.

We see ourselves as hosts with heart and attitude – and want to create a setting where rest, relaxation, and enjoyment, as well as family and professional occasions, come together harmoniously.

We are delighted to have you as our guest today. We extend a warm welcome and wish you a wonderful time in our hotel and in the new Restaurant 800°.

Cheers

OLD-FASHIONED DISTILLATION OVER FIRE

These wood-fired spirits have one thing in common: they are authentic and unique. Distilling such distinctive spirits requires a little more of everything: more fruit, more distillation time, more maturation time. Many steps are necessary to give each Scheibel bottle its extravagant appearance.

Good things take time.
